Powerful Character Development

In addition to unshakable confidence, our goal is to develop your child’s character to ensure success in all aspects of life. There are six chapters in the Gracie Character Development Program: Responsibility, Health, Respect, Citizenship, Manners, and Caring. We spend two months on each chapter, and during each class we dedicate a few minutes to discussing the featured character trait and the simple things your child can do to make it part of their everyday lives. The secret to our success is in a unique point-based reward system that we created to excite kids about making daily progress!
