Street Readiness in 23 Classes!

The 36 techniques in the Gracie Combatives program are the most important techniques in all of Gracie Jiu-Jitsu. The techniques have been strategically divided into 23 one-hour classes, which can be completed in any order – no experience necessary!

Reflex Development Class (RD Class) & Master Cycle Fundamentals (MCF)

Once you have attended each class twice, you qualify to attend the RD Classes. This is where you will learn the advanced combinations that will sharpen your reflexes and boost your confidence to the next level! If you've earned your 3rd stripe, OR have attended 60+ classes, you can also attend the MCF classes to help prepare for your transition into Master Cycle.

Log-on & Boost Progress!

As a Gracie Combatives student, you qualify for a free subscription to GracieUniversity.com! Watch the lessons from any computer or mobile device to review past techniques or prepare for upcoming lessons! The corresponding videos for each class number are indicated in the parenthesis to the left.

Gracie Combatives Belt Qualification Test

Once you have at least eight months of experience and you've perfected all the techniques, individually and in combination, you can test for your Gracie Combatives belt. To watch a complete demo of the test, please visit the Testing Center at GracieUniversity.com.

Bring a Friend to Class!

If you love the Gracie Combatives classes, invite your friends and family to try one with you. We won't charge them for the class, and we'll make sure they have a great time. If they live within 10 miles of our school, we'll hook you up with a free Gracie t-shirt just for helping us spread the word! See front desk for details.
