Total Empowerment in 20 Lessons!

The Women Empowered program features 20 time-tested techniques that were developed to counter the most common types of assaults on women. The 20 techniques have been strategically divided into 15 one-hour classes. No experience is necessary, and the 20 lessons can be completed in any order.

Reflex Development Class & WE Lab

In RD classes, students who have attended all 15 classes at least once will learn how to apply the techniques in combination to develop essential reflexes for self-defense. Those who have not yet attended all 15 classes will spend this class reviewing past techniques. WE Lab is exclusively for Pink Belts and students with two stripes or more. The Lab helps to deepen your understanding of the WE curriculum while preparing you for what comes next.
