### Total Empowerment in 20 Lessons!

The *Women Empowered* program features 20 time-tested techniques that were developed to counter the most common types of assaults on women.

The 20 techniques have been strategically divided into 15 one-hour classes. Absolutely no experience is necessary to participate in any class, and the 20 lessons can be completed in any order.

**Reflex Development Class** (RD Class) In RD classes, students who have attended all 15 classes (at least once) will learn how to apply the techniques in combination
