Total Empowerment in 20 Lessons!

The *Women Empowered* program features 20 time-tested techniques that were developed to counter the most common types of assaults on women. The 20 techniques have been strategically divided into 15 one-hour classes. Absolutely no experience is necessary to participate in any class, and the 20 lessons can be completed in any order.

Reflex Development Class (RD Class)

In RD classes, students who have attended all 15 classes (at least once) will learn how to apply the techniques in combination to develop essential reflexes for self-defense. Those who have not yet attended all 15 classes will spend this class reviewing past techniques.
