Belt Qualification Tests

Once a student has completed all classes on their attendance card, they are eligible to take their next belt test. Belt test lengths and difficulty vary based on the belt level the student is attempting to earn. Tests are \$60, which covers the test, belt, certificate, and administrative fees. Students over the age of 8 are required to recite the 5 rules of engagement at the beginning of their test. You can get a copy at the front desk or look on the back of your child’s yellow attendance card.
