- **Master Cycle Fundamentals Class (MCF Class):** Once you've achieved 3 or 4 stripes on your White Belt and you want to learn the next set of techniques for your Jiu-Jitsu Journey, as well as adding some positional sparring, the Master Cycle Fundamentals Class (MCF) will get you to the next level. By organizing all of Gracie Jiu-Jitsu into seven positional chapters (Mount, Side Mount, Guard, Half Guard, Back Mount, Leg Locks, Standing), every week we will rotate through one of these chapters.
- **No-gi Attire:** Please wear a Gracie Jiu-Jitsu Dry Fit or rashguard along with white Gracie gi pants or black Gracie fight shorts. No other t-shirts, rashguards, or shorts allowed. Please wear your jiu-jitsu belt in no-gi classes.
- **Street Sparring:** All students must have open-finger Gracie Sparring Gloves (5.5oz), and a mouth guard to participate in Street Sparring sessions. Remember, the designated Street Sparring day will alternate every two calendar months.
- **Fight Simulation:** Fight Simulation Class is the most important class for promotion consideration. All participants must have 5.5oz fight simulation gloves, and a mouth guard to participate.
- **Master Cycle Stripe Promotions:** Master Cycle stripe promotion consideration is based on at least eight months of regular attendance and a minimum of 100 classes (including 10 RD classes and 10 FS classes). Please keep in mind that these are minimum attendance requirements and do not guarantee promotion.
- **Fight Sim Gloves:** Fight Sim Gloves are required for all classes now; Blue Gracie Gear gloves are necessary and should be brought to all classes and may be asked to be used during sparring.
