Total Empowerment in 20 Lessons!

The Women Empowered program features 20 time-tested techniques that were developed to counter the most common types of assaults on women. The 20 techniques have been strategically divided into 15 one-hour classes. Absolutely no experience is necessary to participate in any class, and the 20 lessons can be completed in any order.

Reflex Development Class (RD Class)

In RD classes, students who have attended all 15 classes (at least once) will learn how to apply the techniques in combination to develop essential reflexes for self-defense. Those who have not yet attended all 15 classes will spend this class reviewing past techniques.

Log-on & Learn Faster!

As a student of the *Women Empowered* program, you qualify for a free subscription to the online *Women Empowered* program through GracieUniversity.com. To optimize learning, use your online access to review past techniques or prepare for upcoming lessons on your computer or mobile device!

If you have any trouble accessing your lessons online, please speak to a Gracie University student services representative.

Pink Belt Qualification Test

Once you've completed all 20 lessons at least four times, and you're confident in the execution of every technique, you qualify to take the Pink Belt Qualification Test. To watch a complete demo of the test, please visit the *Testing Center* at GracieUniversity.com. For more information, please see the *Pink Belt Testing Guidelines* sheet.
